The Senior Men's Club of Birmingham, founded in April 1957, is an organization of senior men devoted to the promotion of fellowship, cultural interests and the rendering of service to the community.

ELIGIBILITY: Men of good moral character may apply for membership, provided they are fifty-five (55) years of age or more.

TO APPLY: Please complete the enclosed Application for Membership, including endorsements by two members, one as sponsor and one as alternate sponsor. (The Membership Committee will help obtain sponsors for you, if needed). Mail or deliver the completed Application to the Membership Chairman, Senior Men's Club of Birmingham, 380 South Bates St., Birmingham, MI 48009 (The Community House).

ASSOCIATE MEMBER STATUS: Applications approved by the Membership Committee are accorded Associate Member status. New Associates will receive a welcome letter and a Member Handbook listing current members, associates, Club officers, the Constitution and By-Laws and the Club's various activities and interest groups.

ATTENDANCE: Active Members must attend at least ten (10) regular Friday morning Club meetings a year. New Associates must attend an Associate Member Orientation meeting, at least three (3) Friday morning meetings a year while awaiting induction and must be present at the meeting scheduled for their induction into full membership. Orientation meetings, held three times a year prior to regular Friday meetings, help acquaint new Associates with the Club's operations and activities. Failure to fulfill the Orientation and attendance requirements will delay induction and may be cause for termination from the Club.
