

The Community House

Tribute Terrace

Purchase a paver stone or bench and participate with your family, friends and neighbors in this unique opportunity to build a legacy. Commemorate a special occasion, such as a wedding, new baby, birthday, graduation, retirement, anniversary or holiday or provide a lasting gift or memorial for someone you love; a friend, a child, a parent, a cherished companion or a special pet. Your priceless commemorative object will be placed in the beautiful garden west of the Van Dusen Terrace or in another area on The Community House grounds. Funds raised will be used to preserve the beauty, warmth and function of the historic Community House and to meet community needs. Community support is what keeps us going. The continued generosity of friends like you will ensure the future of The Community House for years to come.
