THE COMMUNITY HOUSE TRIBUTE TERRACE

Purchase a paver stone, bench or water feature and participate with your family, friends and neighbors in this unique opportunity to build a legacy. Commemorate a special occasion, such as a wedding, new baby, birthday, graduation, retirement, anniversary or holiday or provide a lasting gift or memorial for someone you love; a friend, a child, a parent, a cherished companion or a special pet.

Your priceless engraved paver stone, bench or water feature will be placed in the newly planned beautiful garden west of the Van Dusen Terrace on The Community House grounds.

Your purchase of a paver stone, bench or water feature will support The Community House's mission of welcoming all people. We work in partnership with individuals, organizations and businesses to bring educational, social and cultural enrichment to people in the metropolitan area. The Community House provides an exceptional facility for meetings and celebrations and is a home for classes and programs that enhance the quality of life.

Funds raised will be used to preserve the beauty, warmth and function of your historic building and to meet community needs. Community support is what keeps us going. The continued generosity of friends like you will ensure the future of The Community House for years to come.

Pavers are available
in three sizes:
