

We Promote

- The Guild members promote literacy and the joy of reading by bringing carefully selected stories to classrooms in the Detroit metropolitan area. Hugs and smiles greet us, and excitement quickly turns to quiet wonder as we settle in to embrace the familiar comfort of a good story.
- Each year we donate hundreds of books to under-served classrooms and libraries in the schools we serve. Books are purchased through our annual fundraiser and gift donations by generous foundations, clubs and individuals.
- We offer programs that motivate and educate our volunteers who work with children in the classrooms we serve.

About Our Founder

Helen Southgate Williams became our inspiration in 1992 when the StoryTellers Guild was formed. Helen dedicated her entire life to bringing good books and literature to children throughout the metropolitan area.

The Helen Southgate Williams Fund provides an annual gift of a professional storyteller presentation to one of the schools we serve.
